Title: Approve Equipment Purchase

☒ Motion ☐ Resolution ☐ Ordinance ☐ Other

Background Information: It has been determined that a small vehicle is needed at the cemetery for the summer seasonal worker to move back and forth on the property while transporting necessary tools and equipment. A quote has been received from Kibble Equipment, Brookings, for a 2019 John Deere Gator TX at a selling price of $8,776.72. The Parks Department currently owns a 2006 John Deere Gator which could be used by the cemetery seasonal worker. The newly purchased equipment would then be used by the Parks Department. Capital outlay was budgeted for the Parks Department in the amount of $13,000 for the purchase of a mower. Actual cost of the mower was $10,600.00 so the remaining balance in capital outlay of $2,400.00 can be applied toward the purchase of the new equipment. The difference of $6,376.72 would be transferred from the restricted capital equipment replacement reserve account (Ordinance 564). The City receives monthly rental payments from Verizon for the rental of space on the two City water towers and those funds are deposited to the restricted account for equipment purchases and/or replacement.

Justification: Needed for transfer of equipment and tools on cemetery property

Financial Consideration: 2019 Budget, Parks Department, Capital Outlay - $2,400.00; and Restricted Capital Equipment Replacement Reserve Account - $6,376.72

City Administrator's Recommendation: Approval
