PERMIT CONDITIONS

1. The construction of all sidewalks and curbing whether to be done by direct contract with the City of Flandreau or by contract with the abutting property owners, shall be done strictly in accordance with the orders of the City Council and according to grades and curb line specifications on file in the office of the Finance Officer.
2. Material to be used in construction of all sidewalks shall be Portland Cement concrete, and shall be four inches thick.
3. The width of all sidewalks shall be not less than four feet or more than eight feet and shall conform to the width, grade and curb lines of adjoining sidewalks.
4. Install corners of all sidewalks at intersections shall be constructed or reconstructed in such a manner so as to make sidewalks accessible to the disabled. Application may be made to the City Council through the Finance Officer for a grant not exceeding \$2.50 per square foot for the cost of construction or reconstructing such corners from the sidewalk to the curb. The application must include actual costs or written cost estimates of construction for making such changes and only such costs as are directly related to making the changes necessary to make the sidewalks accessible for the disabled will be considered for reimbursement.
5. Existing boulevards must be maintained.
6. Any proposed sidewalk not conforming to these specifications must be approved by the City Council prior to construction.

The undersigned hereby further certifies that (1) the applicant has contacted SD One Call at 1-800-781-7474 and requested that any underground utility be located and that (2) all work will be in conformity to the facts stated in the application; and (3) that all work will conform with the Zoning and Building Ordinances of the City of Flandreau, South Dakota, and the laws of the State of South Dakota; and (4) that the property owner shall be responsible for determining the boundaries of the property described.
