Title: Ordinance No. 596 – An Emergency Ordinance to Address a Public Health Crisis Implementing Certain Measures Which Have Been Deemed Necessary to Slow the Community Spread of COVID-19 (Coronavirus)

Motion Resolution Ordinance Other

Background Information: This Ordinance was Introduced on March 27th. As of this noon on March 31, there were over 175,00 confirmed cases of the coronavirus in the United States and 108 in South Dakota. The Pandemic is not expected to peak for several weeks. Measures contained in the Ordinance are consistent with recommendations from both the National Center for Disease Control as well as from the Governor of South Dakota.

Since the first reading, it has been determined that a modification in language will permit greater flexibility for the City Council to make changes to the Ordinance through Resolution, as contained in Section 5. Recommend changing the word “suspend” in that Section to “adjust”.

Justification: To assist in containing the spread of the corona virus in Flandreau.

Financial Consideration: Unknown

City Administrator’s Recommendation: Approve

ORDINANCE NO. 596

AN EMERGENCY ORDINANCE TO ADDRESS A PUBLIC HEALTH CRISIS BY IMPLEMENTING CERTAIN MEASURES WHICH HAVE BEEN DEEMED NECESSARY TO SLOW THE COMMUNITY SPREAD OF COVID 19 (CORONAVIRUS).

WHEREAS, the City of Flandreau (City) has the authority pursuant to SDCL 9-29-1 and 9-32-1 to enact ordinances for the purpose of promoting the health, safety, morals, and general welfare, of the community; and

WHEREAS, an outbreak of the COVID-19 disease, which is caused by the novel coronavirus, has been confirmed in more than 100 countries, including the United States; and

WHEREAS, COVID-19 is a severe respiratory disease transmitted by person-to-person contact, or by contact with surfaces contaminated by the virus that in some cases, especially among older adults and persons with serious underlying health conditions, can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

WHEREAS, the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and the Secretary of the United States Department of Health and Human Services have declared the outbreak of COVID-19 as a public health emergency; and

WHEREAS, on March 13, 2020, President Donald Trump declared a national emergency in response to the global pandemic of COVID-19; and

WHEREAS, on the same day, Governor Kristi Noem, issued Executive Order 2020-04 which declared a state of emergency to exist in the State of South Dakota in response to the spread of COVID-19; and

WHEREAS, cases of COVID-19 have been confirmed in South Dakota; and

WHEREAS, the CDC and health experts have recommended social distancing to slow the spread of COVID-19; and

WHEREAS, social distancing is a method of slowing down or stopping the spread of a contagious disease by reducing the probability of contact between infected persons and those not infected in order to minimize disease transmission; and

WHEREAS, in response to the need to implement social distancing, all schools in the state of South Dakota have been closed for at least two weeks and will remain so at least until the first week in May; and

WHEREAS, on March 16, 2020, the Trump Administration (White House) issued guidance recommending that social gatherings of more than ten (10) people be avoided and that people avoid eating or drinking at bars, restaurants, and food courts; and

WHEREAS, the guidance issued by the White House further recommended that in states with evidence of community transmission, bars, restaurants, food courts, gyms, and other indoor and outdoor venues where people congregate should be closed; and

WHEREAS, many states and communities across the country have already implemented the White House recommendations by ordering all bars, restaurants, food courts, gyms, and other indoor and outdoor venues where people congregate be closed until the public health emergency is over; and
