Flandreau Dam Revitalization Committee Meeting Minutes

The Flandreau Dam Revitalization Committee of the City of Flandreau, South Dakota met on Thursday, July 11th, 2024 at 10:00 a.m. in the Flandreau City Council Chambers.

Members present were: City Administrator Cohl Turnquist, Finance Officer Lori Kneebone, Mayor Dan Sutton, Alderman Mark Ekern, Public Works Director Tanner Harris, Scott Ramsdell, Dean Elverud and Roger Janssen. Absent: Alderman Karen Tufty, Don Peters and Frank Wakeman.

Mission Statement:

Revitalize the Flandreau Dam area to facilitate beautification, recreational opportunity, improve access and increase safety.

Discussion points:

Improve safety
Clean up and basic maintenance
Replace Signage
Recreational opportunities
Establish a 5-year Plan

Possible action to take place in year one is to remove trees that have fallen in the river on the north side of the dam and to remove concrete slabs on the south side of the dam.

The committee plans to meet monthly to discuss the progress and plans for the revitalization of the area surrounding the dam.

The next meeting has been scheduled for August 15th at 10:00 am. The group plans to meet at the South Side of the Dam to address specific trees for removal.
